

RECHARGEABLE WORK LIGHT

Our best selling work light. The RC-01 runs off of a rechargeable battery. It comes with an adjustable polycarbonate stand for simple and easy directional adjustment and has magnetic feet to stay in place. Also comes with a USB power bank charging facility for other devices that may need a quick charge while on site.

Ideal for any environment where extra lighting is required; construction sites, warehouses, garages, and more!

KEY FEATURES:

- Rechargeable
- Magnetic Feet
- Rubber Grip Handle
- Adjustable Polycarbonate Stand
- 2 Power Settings: 3-Hour at 100% & 6-Hour at 50%
- USB Power Bank Charging Facility
